

# Participant Consent Form

*Investigation of the Cellular Au-tonnetz as an intermedial composition tool*

Version: 1.0 • Date: 05 January 2026

## Researcher details

Researcher	Tom Didiot-Cook
Email	t.didiotcook@gmail.com
Postal address	55 Grove Park Terrace, Fishponds, Bristol, BS16 2BL
Independent contact for concerns	Research Governance Team (independent contact): research-governance@bristol.ac.uk

## Participant details

Participant code (last 4 digits of mobile number + initial, e.g., 9746T): \_\_\_\_\_

Session date (DD/MM/YYYY): \_\_\_\_ / \_\_\_\_ / \_\_\_\_

## Please initial each statement

Initials:	I confirm that I am aged 18 or over.
Initials:	I have read and understood the Participant Information Sheet and have had the opportunity to ask questions.
Initials:	I understand that participation is voluntary and that I can stop the session at any time without giving a reason.
Initials:	I understand that I can request my results be withheld from the study within 5 days after my session.
Initials:	I understand that after data are anonymised/aggregated or included in analysis, it may not be possible to remove them.
Initials:	I understand that the session involves using an experimental audiovisual instrument and adjusting its controls to create short excerpts.
Initials:	I consent to audio recording of the instrument output.
Initials:	I consent to video recording of the light panel from above (panel only).
Initials:	I understand that no photos/video of me will be taken and my face and voice are not intended to be recorded.
Initials:	I understand that a photo of the setup (instrument and studio arrangement) may be taken for documentation.

Initials:	I understand that anonymised questionnaire data may be deposited in a repository to support the published findings.
Initials:	I agree to take part in this study.

### Optional consent (initial if you agree)

Initials:	I agree that my instrument-output clips (panel video + audio output only) may be made publicly available in an open research repository or open-source release in the future, if this is pursued.
Initials:	I would like to receive the draft and/or published paper link by email. Email address:
